'live' portraits

Artist Idris Mohd Ali's 'live' portraits make special momentos and keepsakes, and will bring a smile on anyone's face. Get your portrait or your loved ones drawn, and enjoy this unique experience!

\$30 per portrait pencil, black & white

batik painting

To appreciate batik, one must understand the extreme intricacy of the process and the great patience, care and skill it demands. Try your hand at batik painting and learn from our experienced batik artist trainers. You also get to take your art home!

\$15 per frame wax & ink included

artPROGRAMMES

BATIK

Attend an in-depth training by a batik art instructor, covering the processes of color blending, stretching, waxing, cracking, dyeing and finishing. Or engage us for your Corporate Art Retreat or Team Building session where your teams can get creative with individual batik painting pieces or with a 3-metre long masterpiece!

Workshop can be customised for family or groups

ASPIRING ARTIST

Older kids of 11 and above with a strong interest in art will be assessed by a practising artist to know what level of knowledge and skill they are at. Students will learn to develop their artistic potential and learn to create art - from the heART with various mediums including Chinese ink and charcoal!

Sessions can be customised according to student's needs

ART IS FUN

Develop your little one's artistic potential and creative thinking in a fun way! Our art instructor will teach students basic drawing skills, introduce them to mediums like pencil, watercolor, crayons and clay, and prepare for presentation! For ages 4 to 10 years.

Sessions can be customised according to kid's needs

GLASS ART

Using glass, you can learn beads making, pendant making, glass texturing and art plates, and thus create your own glass art! Trainer and established glass artist Ms Tan Sock Fong will take you through the different techniques to help you unleash your creativity!

Workshop can be customised for family or groups
